So this is a highly abused medication and highly sought after product. Fax me a copy of their PMP so I can review it. 623-869-1519

Hi David,

Can you please override the McKesson order for us, the patient only want the HiTech brand Promethazin/Codeine syrup, he and his wife both take it and they say any other brand doesn't work for them. They buy all their RX's from us and some of them are Hi priced too. The preferred generic cost us \$5.07/bottle and the HiTech brand is \$10.50 per bottle patient pays \$27 for 600ml.

Wish You Merry Christmas and A Very Happy New Year.

Thanks,
Rahul V.Gandhi
